Subject : Invitation for Participation and Paper Presentation....

Dear Sir/Madam,

Wish you Happy New Year !

I am pleased to inform you that our institution is organizing U.G.C. sponsored National Conference on “Socio-Legal Dimensions of Live in Relationship” on 14<sup>th</sup> and 15<sup>th</sup> January, 2012.

The new trend of Live in Relationship, after being legalized by the Judiciary, has certainly attracted our attention. It's the high time for us i.e. academicians and social engineers, to have scholarly discussion on this trend.

The theme touches “Law” as well as “Sociology” discipline, i.e. it is inter-disciplinary, and covers human right issue also.

Therefore, we cordially invite your goodself along with minimum two interested teachers and students to participate and present paper in this conference.

Looking forward to your positive response and early confirmation.

Thanking you.

Yours sincerely,

(Dr. Mrs. M. M. Bapat)  
Principal
